

The 2010 PA Apple 'n Cheese Fine Art and Photography Show was the showcase for 272 pieces of art and photography. 94 pieces of art were displayed and 178 photographs graced the walls of the Beautiful Manley-Bohlayer house on October 2 and 3.

An Artist's reception was held on September 30th for all those who entered the show. This gave an opportunity to view the judged show and talk with fellow entrants. On October 1st a special open house was held for area senior citizens. This enabled the individuals who attended to enjoy the show in a less crowded and hectic setting.

During the two days of the PA Apple 'n Cheese Festival, an estimated 1500 people strolled through the show. 59 awards were given thanks to the sponsorship of the following: First Citizens National Bank, Penelec/First Energy, Dandy Mini Mart, Citizens and Northern Bank, Pump and Pantry, Canton Elementary PTA, Chemung Canal Trust Company, Cheap Joes Art Stuff, Blick Art Materials, Stull's Flowers and Gifts, Hidden Artist, Kitty Thompson's Gallery, Doc's Irish Inn, Carol Miller and Brown's Pharmacy.

Judges for the show were Terry Wild in Photography and Roger Shipley in Fine Art.
